

Regional Agricultural Research Station has enough accommodation facilities to accommodate more than 100 guests in its hostel and quarters facilities. Varying types of facilities ranging from luxurious rest houses to individual rooms within the flower show ground, a whole quarters with 10 beds or hostels with double and triple rooms with attached bathrooms, and dormitories with basic amenities are available at the station. The hostel facilities are commonly utilised by the farmers who come in for residential training programmes and also by students of various universities who undergo their internship programmes at our station. The rooms can be booked by contacting the station head at adramb@kau.in or rarsamb@kau.in.
