ORDER

As per paper read (1) above, a proposal to fix the time limit for submission of request for grace marks awarded for participating in different events (Arts/Sports) in the state/national/international levels representing college or university has been approved by the 64th meeting of the Board of Studies held on 07-07-2022 .

The proposal was placed in the following context. Students of Kerala Agricultural University participating in different events (Arts/Sports) in the state/national/international levels representing college or university are presently being granted grace marks in accordance with existing University orders (No.Acad.B2/2017/101/40120(i)& Acad.B2/2017/101/40120(ii) dtd.15/03/2019). In some cases the request of the student for granting grace marks routed through proper channel is being received very late after the event is over .This leads to delay in final result declaration. Hence it was proposed that the requests routed through proper channel are to be submitted within one month of the declaration of the result of the final event after which it will not be accepted.

The proposal has been placed before the 138th Academic Council. The Council has approved the proposal

In consonance with the decision of the 138th meeting of Academic Council, the following orders are issued

Students have to submit the request routed through proper channel for granting grace marks awarded for participating in different events (Arts/Sports) in the state/national/international levels representing college or university *within one month of the declaration of the result of the final event* after which it will not be accepted.
